Need Help With Training Implementation?

TrainingMade provides services to help clients implement TM training products by:

- Delivering Training Content
- Customizing Training Content
- Providing Telephone Support

Delivery

TrainingMade Service Providers can facilitate any of TM's training programs for you. We work with expert trainers in a variety of industries who can deliver training on-site at a location of your choice.

Or, let us provide the services of one of our Master Trainers to train your internal trainers in the delivery of your TrainingMade programs.

Customization

TrainingMade can customize TM training content to your company's issues and strategies, competency requirements, and company culture. TM partners with world class service providers to customize world-class programs.

Telephone Support

TrainingMade provides just-in-time telephone support to help you prepare for delivery; discuss facilitation techniques or to offer any assistance in understanding TM training content.
